CLASS DESCRIPTIONS

▶ SMALL GROUP TRAINING

BARBELL MANIA

Learning how to move a barbell teaches our mind how to use all of our muscles together to move an object efficiently, training our neuromuscular system. This class trains you on how to create serious results and strong bodies. It's absolute, positive power.

BELLS, BAGS & ROPES

This class is set up to make you sweat! The class design is to use non-traditional exercise equipment such as kettlebells, sandbags, warrior ropes, TRX and more to strengthen functional movements and burn tons of calories.

GLUTES TO THE MAX

Many people have weak glutes due to sedentary lifestyles. If you train your butt, you'll have good carryover into your back strength. That's really important for functional purposes. This class will challenge you build strong legs, glutes and back muscles.

KETTLEBELL TRAINING

This kettlebell focused class takes your training to the next level by incorporating strength, endurance, and power. Participants of all levels are welcome as we focus on technical work to refine kettlebell skills and include high intensity intervals to amp up the energy!

STRIKE IT!

In this class, fitness meets martial arts. Prepare yourself for a booty kicking workout filled with drills for conditioning, pad/bag work for cardio, and even some self-defense. Put all this together for an incredible total body and mind workout.

TOUGH TURF

Join our Personal Trainers on our new outdoor turf for a work out full of skills, drills, and intervals of cardio and strength training. During inclement weather, class will be moved to the Performance Center.

TRIPLE THREAT

Triple Threat combines strength, cardio, and core training in a way never seen before. It is a great way to improve your cardiovascular training with the help of power movements and sports conditioning.

NOTES:

No classes will be offered on **September 3, November 12 and 22-24**. Class schedule is subject to change. Check the Mindbody App or our website for updates and more info: www.thewellsacstate.com/fitness/group-fitness/classes

CLASS DESCRIPTIONS

● MIND/BODY

ACRO YOGA

Take your practice to new heights with this fun yoga class. Acro Yoga is a physical practice, which combines yoga and acrobatics. Acro Yoga blends the wisdom of yoga, the dynamic power of acrobatics, and the loving kindness of healing arts.

BARRE

Barre is a fusion of cardio/strength training, Pilates, yoga, and ballet movements. Barre emphasizes the correct biomechanics of movement to increase strength, flexibility, stamina and dynamic stability. * Enjoy 3 different versions of our Barre classes:

BARRE FUSION: This class is a fusion of cardio, strength, core work and flexibility training done with and without the barre. This intense workout is designed to tone, sculpt, and lengthen your muscles from head to toe.

BARRE FIGHT: Barre Fight is a perfect combination of traditional Barre mixed with the fundamentals of Kickboxing. This high energy class gets your heart pumping, while lengthening the muscles for increased strength and flexibility. Barre Fight will leave you feeling empowered, strong, and energized!

BARRE-LATES: Get the best of both with this Pilates/Barre fusion class. This fusion class combines the dynamic, dance-inspired movements of barre with the lengthening, strengthening exercises of mat Pilates. If you are looking to strengthen your core, look no further!

FOAM ROLL & RELEASE

Foam rolling is used to increase circulation, release "knots" or adhesions that form in muscles, and it is also used to help relax the nervous system. Simply by using your own body weight on the rollers, you can reduce pain and tension, and restore normal muscle length and balance.

KUNDALINI YOGA

A secret teaching until recent times, the ancient spiritual technology of Kundalini Yoga employs breath, movement, meditation, and sound vibration to unlock your unique and infinite potential. With the immense variety of material available, every class is a different presentation. Acquire the tools for creativity, learning, and discovering the "authentic" you, as you enjoy a challenging, joyful, and uplifting experience!

MAT PILATES

teaches body awareness, strength and good posture. It improves flexibility, agility and economy of motion. It can even help alleviate back pain. Pilates develops a strong "core" or center of the body, integrating the trunk, pelvis and shoulder girdle. This class is appropriate for all levels.

PILATES SCULPT

This class combines Pilates Principles, along with High Intensity Interval Training (HIIT). It is an intense full body workout to strengthen muscles, increase flexibility and your overall fitness. Get a strong, lean, and sculpted physique. It is the perfect workout for any fitness level, providing a high calorie-burning workout that will challenge you physically and mentally.

YIN YOGA

A Yin yoga class consists of a series of long-held, passive floor poses that mainly work the lower part of the body - the hips, pelvis, inner thighs, lower spine. These areas are especially rich in connective tissues, which responds best to a slow, steady load which is why we hold the poses for longer. Yin Yoga can increase circulation in the joints and improve flexibility.

YOGA/SUNRISE YOGA

Yoga will develop inner and outer strength, increase stamina and flexibility and help you get centered through a blend of different yoga traditions. This class links body, breath and mind with focus on alignment and is appropriate to all fitness levels.

YOGA SCULPT

When muscle meets yoga, yoga sculpt is born. When you combine mental and emotional focus of yoga along with cardio, sweat, and up-beat music, your workout is transformed.

CLASS DESCRIPTIONS

CARDIO/STRENGTH

ABS & CORE

A strong body comes from a strong core. Exercises in this class can build a stable and functional core and will focus on strengthening the abdomen, back, hips and more. Ultimately, this class will help improve posture and provide a solid base for all fitness activities.

BARRE

See description under **Mind/Body**.

BOOTCAMP

This class combines intervals of cardio drills and muscle conditioning exercises to provide you with the ultimate butt-kicking workout.

CHIZZLED

Experience a muscle work and cardio class that is truly focused on making changes in your body. Perform several sets of an exercise using various types of resistance, weights, med balls, body bars, etc. Sprinkle in cardio bursts throughout the class and leave with a sweat and smile.

CORE & MORE

Say goodbye to old-fashioned and boring sit-ups and crunches! This class offers a variety of exercises to functionally strengthen your core and back, while encouraging balance, strength, and coordination.

CYCLE

Come and join this cardiovascular adventure. Pedal through flat roads, rolling and steep hills and through valleys and take your endurance training to a new level.

CYCLE CIRCUIT

This class is perfect for those who want a challenging workout, which builds cardiovascular and muscular strength all in a one-hour class. Participants will rotate through cardio intervals on the bike and strength intervals using free weights, stability balls and more.

CYCLING IN THE ZONES

The WELL is proud to offer this heart rate monitored group cycling! Heart rate training allows you to improve your training program by matching your cycling intensity with the goals of a particular workout. Never before has it been so easy to reach your training goals!

HIIT CIRCUIT

High Intensity Interval Training incorporates cardiovascular and strength training into a total body workout. Work to your maximum effort to gain maximum results.

R.I.P.P.E.D

This fitness program is perfect for those who want a challenging workout. It is a high energy group exercise class, that combines an easy, yet effective cardiovascular routine, with weights and resistance for strength training. It is a fun class for all fitness levels that will help you reach the fitness results you are looking for. R.I.P.P.E.D. is an acronym for: Resistance, Interval, Power, Plyometrics, Endurance and Diet

STRENGTH, STABILITY & STAMINA

To be powerful humans we must have strength. To develop strength, we must be stable in any terrain. This class is designed to integrate balance, strength, and explosive exercises to encourage overall functionality.

STRONG BY ZUMBA®

This class combines bodyweight, muscle conditioning, cardio, and plyometric training. Every squat, every lunge, every burpee is driven by the music, helping you make it to that last rep, and maybe even five more.

TOTAL BODY CONDITIONING

Leave no muscle untouched! TBC is a challenging workout, which builds muscular strength and stamina by rotating through exercises and drills using a variety of equipment or none at all.

TOTAL BODY TABATA

Tabata training is a highly effective, high-intensity interval training (HIIT) workout. Each set of intervals last 4 minutes, with 20 seconds of work, 10 seconds of rest 8 times. Tabata training was discovered by Japanese scientist Dr. Izumi Tabata and a team of researchers. Although it can be intense, come join this class and push yourself to your desired intensity.

ZUMBA®

Zumba® is a high-energy dance aerobic workout. This class fuses together Latin/International rhythms and easy to follow dance steps. Zumba® feels more like a dance party than a workout and leaves people feeling fit and happy!

ZUMBA® TONING

Zumba Toning is a perfect workout for those who want to dance, but put extra emphasis on toning and sculpting to define those muscles! The challenge of adding resistance by using light weights helps focus on specific muscle groups, so you (and your muscles) stay engaged! Using light weights while doing Zumba enhance a sense of rhythm and coordination, while toning target zones, including arms, core and lower body.
